PlacementUK
European Student Placements

cost effective

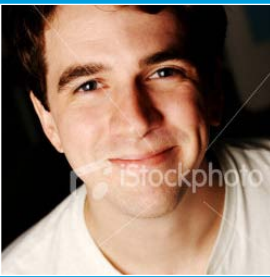

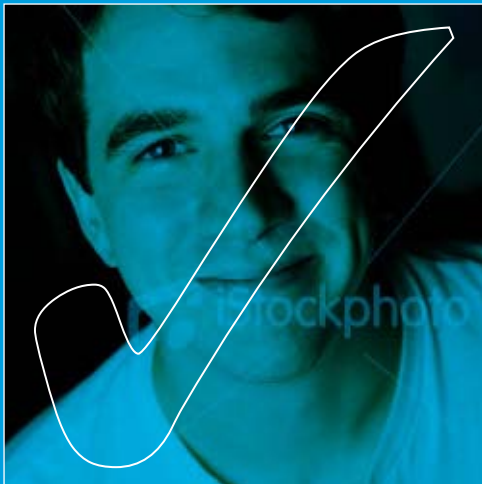

COST EFFECTIVE

UK employers can enjoy substantial cost reductions when compared with employing staff by conventional means. The allowances paid to placement undergraduates are less than 50% of conventional full-time UK salaries, typically.

available

AVAILABLE

We place students all year round. With direct contacts in over 1500 universities and business schools from every country of the EU and EEA, we have an unsurpassed depth and breadth of coverage.

flexible
FLEXIBLE

We recruit specifically for your requirements – you define the role. Our candidates are available for Temporary positions or one-off projects. We fill permanent posts through our Rolling Programme, while giving you the opportunity to adjust the specification, if appropriate.

high calibre

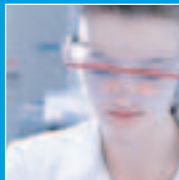

HIGH CALIBRE

Our candidates will be studying for a Degree or Masters in Business, IT, Engineering and much more, at top Universities and Business Schools throughout Europe. Typically aged between 20 and 26, they will almost certainly have previous experience in the workplace.

Europe wide selection

- ✓ Sales
- ✓ Logistics
- ✓ IT
- ✓ HR
- ✓ Engineering
- ✓ Web design/development...and more

What our clients say...

"We've taken a number of students from Placement UK and have found them to be of an excellent standard. They've proved to be enthusiastic in their work and capable of performing everyday tasks with the minimum of supervision."

EU – Frozen food supplier

"Barbara has proven to be an extremely capable & motivated individual. She has become a 'go-to' person for a number of people and delivered good business intelligence for the company."

GA – Online gaming

"Our Placement UK student performs a wide range of duties including writing articles, releases and letters (at which she is very good) as well as more mundane work chasing approvals, research etc. I hope her successor will maintain this when she leaves us!"

SG - Psychometrics & occupational assessment

"We've had both French & Spanish undergraduates from Placement UK, providing Sales & Marketing administration and support. Their excellent computer skills have been a real benefit, giving us the bonus of a complete update of our archiving system."

PL – Pharmaceuticals

"Our Market Development Executive has made a real contribution in developing new processes for us and his language skills have really helped us with our French activities. A very good quality and inexpensive resource."

FL – Online property

"Waldemar, our Placement UK student, has been a good worker for us and has implemented systems for monitoring sectors of production using his own initiative."

AWS – Plastic recycling

All references are available for inspection on request.
